Advisory Group

INCLUSIVE AGRICULTURE INSURANCE WORKSHOP

TUESDAY, 22 SEPTEMBER 2026

URBAN HOTEL

About this Program

The Microinsurance Technical Advisory Group is pleased to announce a specialised training workshop for insurers interested in designing or scaling up their inclusive agricultural insurance solutions to smallholder farmers.

What you will gain

Technical knowledge and practical skills on the following:

- ✓ Agricultural risks and the role of insurance
- ✓ Agricultural insurance products
- ✓ Product design, pricing and underwriting
- ✓ Data, technology and claims management
- ✓ Distribution and farmer engagement
- ✓ Reinsurance and portfolio management
- ✓ Public-private partnerships and regulation
- ✓ Market development and stakeholder coordination

Bonus: Panel discussion

Guest speaker practitioners reviewing Agriculture insurance schemes in Zambia
